

**THE ROAD FROM EASTER TO PENTECOST**  
**GATHERING THE LOST FOR THE KINGDOM**  
**PREPARE TO SHARE**

Going after lost souls should be a daily priority and we do not need to look far because they are everywhere. There is no prototype for the lost. They may be on the street begging for food or holding a top-level position in government. Whatever their socio-economic status, we must have a desire for all to be free — just as we are free.

We must have a heart of love, compassion and a sensitivity to the Holy Spirit. It is by the guidance of the Holy Spirit that we know whom to approach and what to say. Let us increase our sensitivity to the Holy Spirit by setting aside time to commune with God through worship, prayer, His word, and a listening. Then, we will be prepared to advance the kingdom of God by bringing in the lost souls.

**Prayer Declaration:** Doing Your will today is a priority, Lord. I commit to preparing myself to be used by You to help with ushering into the Kingdom of God a harvest of souls. AMEN

**Going deeper**

Read [1Corinthians 9:19-23](#); [2Timothy 2:15](#): We are not to discriminate when it comes to ministering salvation. Holding a greater regard for those who come from a higher socioeconomic status than those who are poor is not what God ordained. Our role is to tailor our approach and position ourselves, so that the people whom we are called to minister, will openly receive the Gospel.
