

**THE ROAD FROM EASTER TO PENTECOST**  
**GATHERING THE LOST FOR THE KINGDOM**  
**LOOKING FOR LOST SHEEP**

Whom do you know that has strayed away? You used to see them every Sunday. They were at the home group bible study, came to special services, sang in the praise group, participated in outreach events, but now they are missing!

Find out where they are!

People stop coming to church for different reasons, but sometimes they may have simply lost their way. Many times, people may go astray, or backslide because they believe that they are all alone in their situation, or that no one cares for them. In moments like that, they are prey to the lies that the enemy promotes. It is our responsibility to keep up with one another. We cannot say that we love God but not care for His people.

Who just came to your mind as you were reading this? Take out a search warrant for them and help bring them back.

**Prayer:** Father I pray for all who have fallen away in their faith. I will make an extra effort to find those who have strayed away. Amen.

**Going Deeper**

Read [1Thessalonians 5:11](#) and [Ephesians 4:2](#): We cannot walk this Christian walk alone. We have to stay connected to one another. This is a commitment that we have to make to one another. God help us to discern the needs of those that you have divinely connected us with.
